Reflexology

Do you need to enhance your health & wellbeing and release your tension & stress? While reflexology does not diagnose or treat health conditions, it is widely used to boost your system and amelioration of symptoms from health concerns. Reflexology is a non-intrusive, complementary health therapy, where pressure is applied on the reflex areas on the feet which correspond to specific organs within your body via energetic pathways to provide relaxation, improve nerve functions, sleep and metabolism, increase blood circulation, detoxification, help to keep the energy flowing.

Skin Needling

Is minimally invasive, increases the production of collagen and elastin (elastic fibres) in the deeper dermal layer by causing controlled trauma and utilising the skin's normal repair function. Collagen is an essential protein that helps keep the skin looking youthful, with a firm, smooth and stretchy texture. Skin needling is suitable for: skin rejuvenation, wrinkles, lines, sun damage, scarring, acne scarring and premature ageing skin. For optimum results 3-6 treatments at 4 weekly frequencies. Numbing cream applied prior. Red LED and regenerating collagen gel/serum after. **Single treatment Face-\$160. Face,neck & décolletage-\$185. Pre-paid 3 for: Face-\$140/each. Face,neck & décolletage-\$165/each. Pre-paid 6 for: Face-\$120/each. Face,neck & décolletage-\$145/each.**

Microdermabrasion

Is a skin exfoliating treatment using a diamond tip with adjustable suction which will improve your skin's appearance. Benefits are: Reducing fine lines, wrinkles, pigmentation, sun damage, acne scarring. Removes spent skin cells, unclogs pores, smooths uneven skin tone and texture. **Face-\$50. Face,neck & décolletage-\$65. Add-on to Facial for \$40. Pre-paid 3 treatments: Face-\$45/each. Face, neck & décolletage-\$60/each. Pre-paid 6 treatments: Face-\$40/each. Face, neck & décolletage-\$55/each.**

Non-Surgical Face Lift

Help delay the ageing process with the ultimate in facial care - excellent for lifting eyebrows and jowl areas. This treatment re-programs muscle fibres using Microcurrent - it is safe, effective, non-invasive which can lift, sculpt and tighten your face, with no down time. For optimum results an initial intense course of 6-12 treatments is recommended, followed by a maintenance treatment every 2-3 months.

1 hour: \$120. Add-on to facial for spot treat 15 mins: \$30.

Pre-paid 6 treatments: 5+1 free: \$600.

Pre-paid 12 treatments: 10+2 free: \$1,080

LED Light Therapy

Rejuvenate and firm your skin at a cellular level - Boost your collagen and elastin production. This treatment is non-invasive with no down time. Reduces sebum and eliminates acne-causing bacteria (great for teens), eczema, fine lines & wrinkles, rosacea and spider veins. Stimulates the lymphatic and nervous system. For optimum results a course of 6-12 treatments is recommended.
